

We know the transition back into the community can be difficult. **Second Chance Churches** are here to support you!

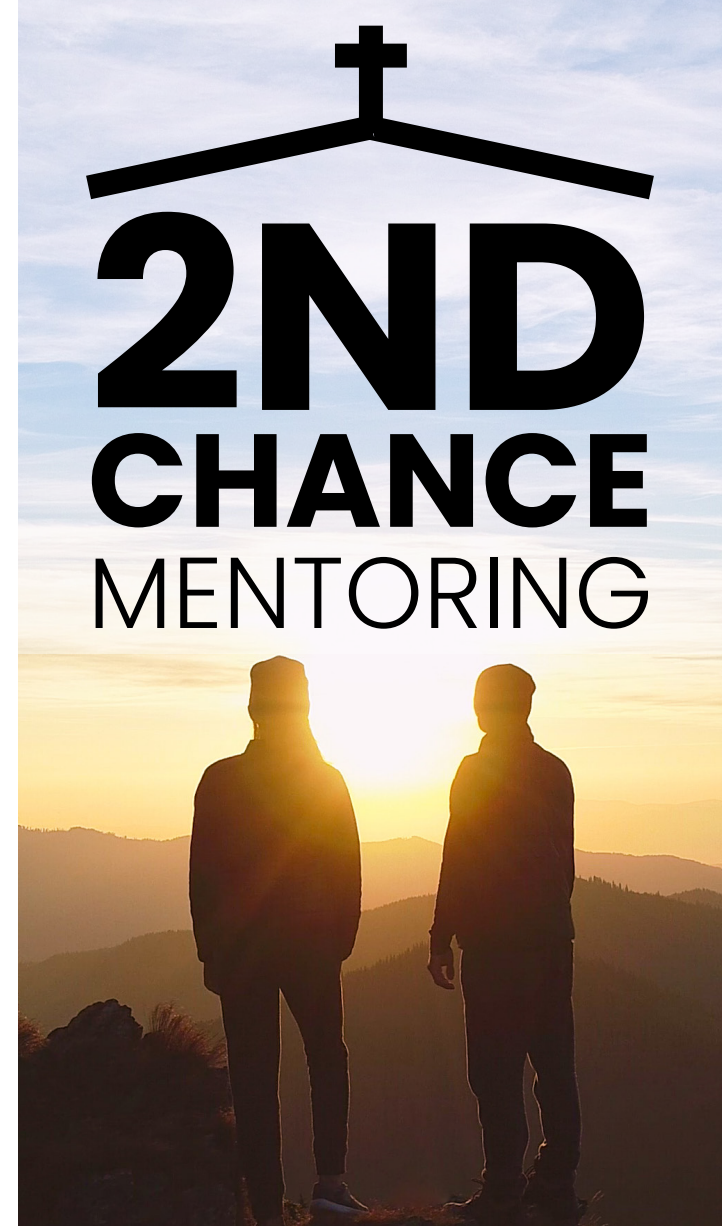

**Second Chance Churches** welcome returning citizens to be part of their church family. **Each church has an identified mentor** who will offer emotional and spiritual support, help you connect into church programs and offer referrals to programs in the community.

You are welcome to simply attend any of the churches listed in the brochure or call the church office to be connected to a mentor.

Second Chance Churches are supported by Urban Alliance
