

About US

We know the transition back into the community can be hard. Second Chance Churches are here to support you!

Second Chance Churches welcome returning citizens to be part of their church family. Each church has an identified mentor who will offer emotional and spiritual support, help you connect into church programs and offer referrals to programs in the community.

You are welcome to simply attend any of the churches listed in the brochure or call the church office to be connected to a mentor.

*"You are a hiding place for me; you preserve me from trouble; you surround me with shouts of deliverance."
Psalm 32:7*
